

ELEVATOR WORLD

The Magazine of the International Building Transportation Industry

MARCH 2007 – VOL. LV, NO. 3

COVER: State-of-the-Art Research and Development Facility

60 Events: Fujitec's Big Wing

by Peng Jie

Fujitec celebrates the opening of its new research and development facility in Japan

FEATURES:

76 Public Safety: National Elevator Escalator Safety Awareness Week

by Leslie Schraeder

With support from the Elevator Escalator Safety Foundation, industry volunteers promote rider safety in events across North America.

89 APMs: Small-Scale Metros Emerge in Europe

by Lawrence J. Fabian

Even small metropolitan areas can receive benefits from implementing automated transit systems.

106 Events: Lift Milan 2006

by John Gale

Italy's biennial elevator trade show attracts thousands of visitors and hundreds of exhibitors.

127 Events: NAEC Regional

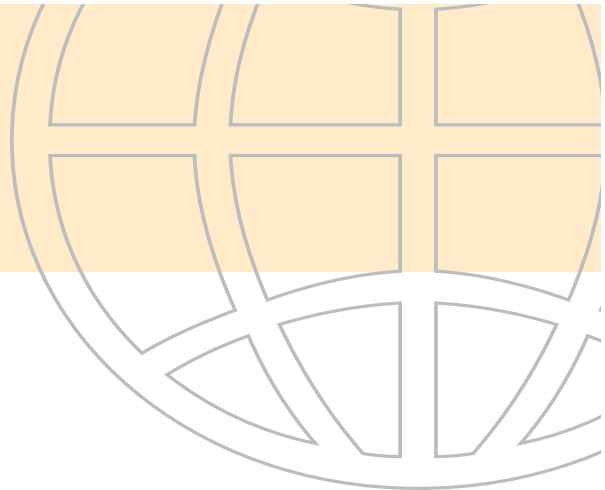

by Brad O'Guynn

The National Association of Elevator Contractors offers an educational conference in the Washington, D.C. area.

IN EVERY ISSUE:

- 11** Calendar
- 20** Comments
- 154** Classified
- 159** Advertisers Index
- 160** Last Glance

COLUMNS:

Engineering

98 Design of Group Control Elevator Dispatch Based on Exterior Selective Signal

by Wan Jianru, Cui Jian and Liu Yingpei

A method is suggested for the problem of the group-control elevator dispatch to improve the call signal source.

Events

24 Formula Systems North America Christmas Party Benefits EESF

by Richard Gregory

Employees' fun helps raise funds for the Elevator Escalator Safety Foundation.

54 Elevator Day 2006: Technology & Entertainment

by Carmen Maldacena

The Argentine lift industry gathers for its seventh annual celebration.

History

82 The Carveyor: 1948-1964

by Dr. Lee Gray

An innovative approach to moving people fails to find commercial success.

Jobsite Safety

58 Revised NEII Position Paper: "Guidelines for Emergency Preparedness Plan"

The National Elevator Industry, Inc. presents guidelines by which employers can prepare for emergencies.

Legal Issues

70 Eyewitnesses: Part Three

by Marvin A. Jacobs, JD

The reliability of eyewitnesses and their influence over jurors

Manufacturer Spotlight

118 ThyssenKrupp Elevadores Brazil in Latin America

by Carmen Maldacena

An update on the company's new developments and the importance of continental relations

Public Safety

96 A Recommended Improvement to EN115

by David Cooper, MSc, IEng

Steps to curb building designers' and escalator manufacturers' practices are outlined.

Readers' Platform

152 Destination-Dispatch System Questioned in Market

by Bob Johnston

A conceptual change within elevator-control systems is part of an evolution in the way people use lifts.

Special Topic:

Wire Rope

130 Wire Rope: Product Announcements

132 Technology: The Life of Wire Ropes in Elevator Installations

by Hugh O'Donnell

The author looks into the expected life and endurance of wire ropes and their applications in elevator systems.

138 Technology: Pre-Stretched and Low-Stretch Elevator Ropes

by Dipl.-Ing. Hans M. Huber

Users of fiber-core ropes are confronted with choosing pre-stretched ropes or other alternatives.

140 Maintenance: Elevator Sockets: Past, Present and Future

by Robert Lane

While wedge sockets are now very familiar and commonplace in the elevator industry, their introduction was relatively recent.

DEPARTMENTS:

6 Editor's Overview
